NHSScotland Event 2016 - call for poster abstracts

This year's NHSScotland Event is being held on 14 and 15 June at the Scottish Exhibition and Conference Centre, Glasgow. The theme of the 2016 event is 'Leading Transformational Change for Health and Social Care'

One of the key features at the event is the poster exhibition and with over 500 innovative teams and individuals submitting their projects in 2015, this is a networking opportunity not to be missed.

The NHSScotland Poster Exhibition forms an integral part of best practice, learning and sharing at the event. The call for posters will open on 6 January 2016. Entries will be shortlisted and over 200 successful abstract submitters will be invited to display a poster at this year's event.
