The Capital Planning and Facilities directorate is changing its name to the Property, Procurement and Facilities Management directorate on 1st September.

On behalf of the directorate, we look forward to working with all of our stakeholders to develop our vision and provide excellent service.

## **Bursary success**

Our staff bursary scheme attracted huge interest again this year and now 295 applicants have been approved that will see £316,695 paid out to help fund studies and educational qualifications.

The bursary scheme is funded with staff endowment monies and this year the maximum single grant was increased to £1500. Most applied for funding for higher degree qualifications, followed by others studying in further education, and other staff who applied for funding for degree or post graduate courses.
