

Getting to West Glasgow ACH

West Glasgow ACH Travel Leaflet is designed to provide useful information to help you plan your journey to the ACH.

www.travelinescotland.com provides travel information in real time which means you will know if there are delays on your bus or train route and tell you how long you will need to wait for the next service. If there is heavy traffic on your regular drive home, <http://trafficscotland.org.com> will help you make alternative plans. If you are new to cycling, you can find the quietest or quickest, balanced routes, while seasoned cyclists can choose hillier roads. Visit www.cyclestreets.net or walkit.com to get the route that suits you and calculate how many calories you will burn.

The postcode for West Glasgow ACH is G3 8SJ.

Cycling

Cycling is a great way to travel to West Glasgow ACH. It is free and helps to keep you fit.

There are shared access routes to the ACH and cycle hire facilities at Partick Interchange. Details on cycle hire scheme are available on

<http://www.nextbike.co.uk/en/glasgow>

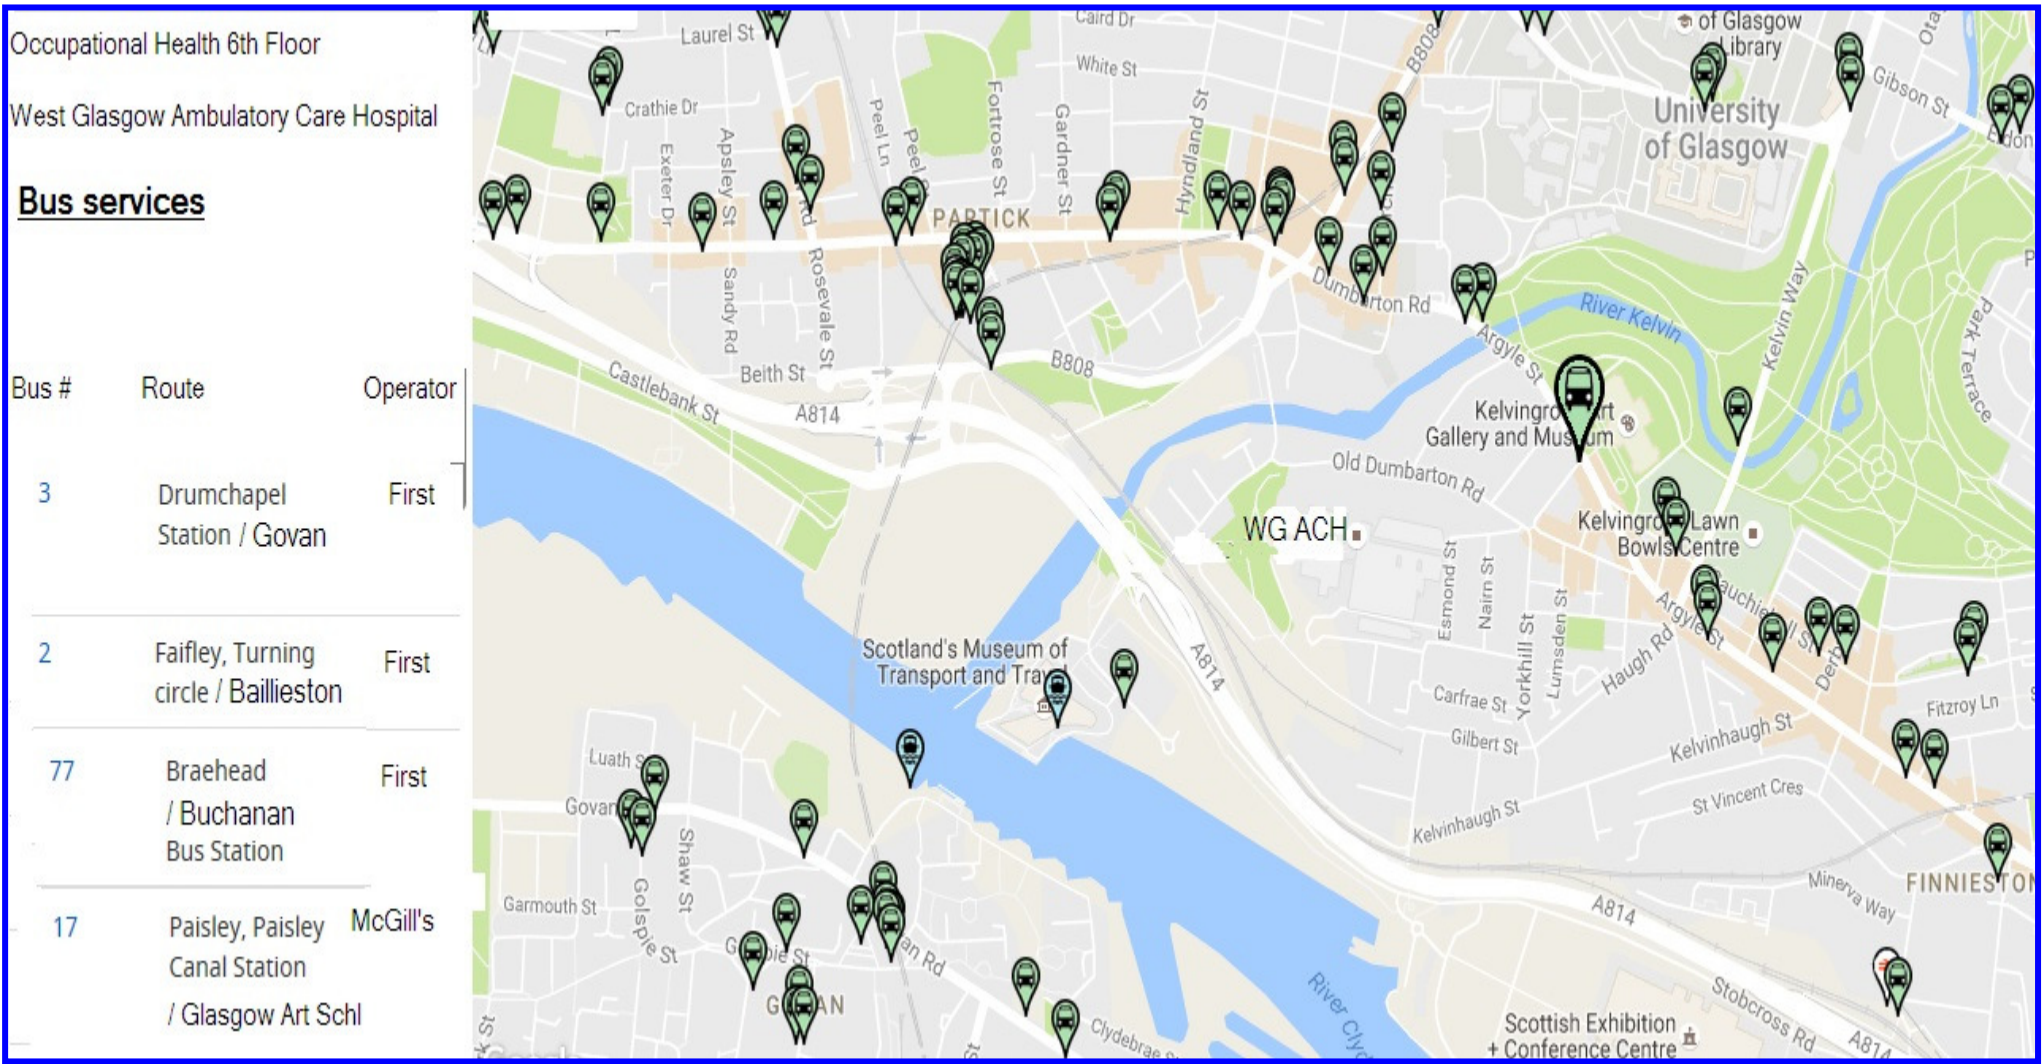

There is designated visitor cycle parking located outside the front of the Minor Injuries Unit. Secure cycle shelters are available for members of staff and details of these locations are available from the Site Facilities Management.

If you are planning on cycling please use the online journey planner to plan your route www.cyclestreets.net .

Car Parking

At times the car parks and surrounding roads can be busy and you should consider other travel options if there is a suitable alternative

There are drop off/pick up bays at the front. A number of disabled parking bays are available. There is no charge for parking at the WG ACH. The car parks are managed and vehicles are subject to a 4 hour maximum stay. Car Park attendants are on hand to provide advice if required.
