## Introduction

This issue provides information on last night's Celebrating Success Staff Awards event.

---

### **Celebrating Success Staff Awards Event**

Last night we celebrated our staff and volunteers at a glittering awards ceremony in the Radisson Blu Hotel in Glasgow. The event brought together the Chairman's Award winners, Facing the Future Together (FTFT) overall award winners and for the first time The William Cullen Prize winners were also announced.

Over 350 staff gathered to recognise the best of best in NHSGGC - with a total of 27 awards being given out. The evening got off to a flying start with the FTFT overall award winners with representatives from directorates and partnerships picking up their awards.

Next up were The William Cullen Prize winners for Excellence in Teaching and Service Innovation,

Then came the Chairman's Awards, where we had eight deserving winners who had been nominated by either a member of staff, patients or the public.

See our gallery of fantastic pics from the night visit:
