## Introduction

This issue provides information on the East Dunbartonshire Health & Social Care Partnership move and highlights a new way for children to receive an MRI scan.

---

### On the move...

East Dunbartonshire Health & Social Care Partnership (HSCP), HQ teams currently located at 300 Balgrayhill Road, Glasgow G21 3UR are moving on Monday 12 December to Kirkintilloch Health & Care Centre, 10 Saramago Street, Kirkintilloch G66 3BF.

The four teams moving to the new location are; Senior Management, Prescribing, Performance & Planning and Administration.

Please use the following to contact the HSCP:

### Administration Team

Louise Martin, Head of Administration, tel: 0141 232 8237

Geraldine McMartin, PA to Chief Officer, tel: 0141 232 8216

Lorraine Arnott, PA to Head of Planning, Strategy & Health Improvement, tel: 0141 232 8233

Christina Burns, PA to Head of Adult and Primary Care Services, tel: 0141 232 8266

### Children being given scans during their normal sleep pattern

Staff at the Royal Hospital for Children have introduced a simple but effective way of giving young children an MRI scan without trauma for both the child and their parents. For more information [click here](#) to watch a short video.
