Introduction

This issue brings you news of the celebrations that took place across the organisation making the 70th Anniversary.

70th Anniversary celebrations

What a fabulous day we had yesterday celebrating our 70th anniversary. Well done to everyone who organised events for their patients and staff. We had everything from tea parties to old nurses uniforms, a vintage hair salon, a jazz band, singers, special guests including Professor Sir Graham Teasdale, the First Minister and the Cabinet Secretary and birthday cake lots and lots and lots of birthday cake!

Congratulations also to the dozens of staff from NHSGGC who joined 700 healthcare workers from across Scotland at an evening reception at the National Museums Scotland with HRH the Earl of Strathearn.

All the photos from the day are now available our special 70th
