### **Our Health Heroes Awards 2018**

Calling all health heroes!

Its time to get your nominations into this year's Our Health Heroes Awards 2018.

This year they're looking to recognise the hard work of even more of our nation's Healthcare Heroes; whether they are support workers, apprentices, integrated teams or workforce planner staff.

They are searching for teams and individuals that go above and beyond the call of duty, are creative and innovative in their roles and deserve a big thank you.

If you know someone that fits the bill, nominate them to get the recognition they deserve. Applications close:
