Introduction

This issue talks about staff assaults and reminds staff to get their Chairman's Awards in.

NHS staff being physically and verbally assaulted

We have today issued a press release about the unacceptable number of verbal and physical assaults on our staff over a 12 month period. [Click here to read the full press release.](#)

These new figures show that the incidence of violence and aggression are a serious factor for our staff. We hope that by highlighting the extent of the incidents, it can help reduce and deter them.

Chairman's Awards

The closing date is fast approaching - 31 July. To nominate your colleague click on the link below for more information.

The poster features the NHS logo in the top right corner and a 'Celebrating Success Staff Awards Event 2019' badge in the top left. The central text reads 'Nominate NOW' in large, bold letters, with a star icon inside the 'O'. Below this, it states: 'The Chairman's Awards celebrates innovation and the outstanding difference made by our staff who go that extra mile for their patients'. At the bottom, it provides the nomination website 'www.nhsggc.org.uk/chairmansawards' and the closing date 'Closing date for nominations is 31 July'. The background is decorated with several star-shaped cutouts containing photos of staff members.
