

# Core brief

## Introduction

This issue brings you news about the acute services leadership team.

---

### **NHSGGC – ACUTE SERVICES LEADERSHIP TEAM**

In order to strengthen senior leadership capacity within Acute Services and following ongoing discussions regarding the need to deliver performance across all Sectors and Directorates with emphasis on sustaining improved performance the following changes to leadership roles will take place from 2nd March 2020.

1. The changes to Acute Director roles and responsibilities are as follows:
  - Acute Lead for Moving Forward Together – Anne Harkness
  - Director – South Sector – Frances McLinden
  - Regional Services Directorate – Arwel Williams
2. The management arrangements for the Diagnostic and Imaging Directorate are being considered and will be agreed in the coming weeks. In the interim the current management arrangements will remain in place.
3. There will be no changes within the North and Clyde Sectors management arrangements.
4. There will be no changes within the Women and Children's management arrangements
5. Susan McFadyen will become Interim Director of Access from 17<sup>th</sup> February 2020. The Director of Access post became vacant from 12<sup>th</sup> February 2020 and the post will be advertised. Due to the current need to meet scheduled care trajectories this post will be filled on an interim basis initially for a 6 month period.
